Good morning SA [REDACTED],

We received your subpoena on February 1, 2020, a copy of which is attached for your reference.

We will need more identifying information before we begin an investigation. Our databases do not have DOB information to positively identify customers by name. We will need email addresses, credit card numbers used or itinerary number to locate responsive records.

We are unable to proceed with our investigation until we get more information. If we do not hear back from you within 30 days, we will consider this matter closed.

Any information you can provide will be much appreciated.

Thank you,
Michelle

Many thanks,

LE Request
