[REDACTED] this is from a long time ago, but an issue has come up where it's important for us to know the answer -- apologies if you already answered this and I just didn't see it, but are we able to tell one way or the other?

thanks,

Hi [REDACTED],

I located the messages you mentioned—that's a great find, thanks. They look to me like print-outs that would have been seized during either the search warrant or the trash pulls. Do you have a way of checking FBI's system to see if they're itemized as a voucher item? [REDACTED] appears several times, so it would be great to find the source on this.

Thanks!
