Hi [REDACTED] - I just spoke to OVS and the need the date of the crime. I unfortunately don' have that information regarding your specific interactions with him. I know you were not so comfortable talking about this so I have also left Brittany a message to see if she has this information.

If you would like to give to me- I will call OVS back; if not you could give that information to them yourself. Let me know what you prefer.

Thanks -

Hi [REDACTED],
Thank you for the contact info.
My claim number is [REDACTED].
I was told that they need some information from you and they're waiting on a call back from the fbi. A voicemail was left on March 6. Hope this helps. :)

Apologies but I must have misplaced that information. I do not have any documentation. My mailing address is [REDACTED]. Don't believe I received anything.

How can I locate the claim number? Was there maybe a confirmation email I can search.

Thank you

Hi [REDACTED] - this is great to hear! I just received a message from your therapist asking for the claim number; and that is something that you should have on the award letter. Can you get that to her? Or if you would like to give it to me and I can email her with it.

Hope your staying safe and healthy!!

Hi [REDACTED],

Looking forward to seeing you Monday! I have found a fantastic therapist for this survivor. She was my first choice and hope but I didn't know if she would be able to take OVS and she has agreed to. Her name is Shari Eliot and her number is [REDACTED]. She is a little out of the zone the client preferred but her office is on the RW line so very easy to get to from [REDACTED]. The client should use my name when she calls.

See you soon,

Hi again [REDACTED],

As I reach out to the top notch therapists I know to see if someone can accept OVS reimbursement to see this survivor, do I have consent to share what case this is related to?

Hi [REDACTED],

Great! We are confirmed for 3/9 10am-11am and very much looking forward to it. Do I understand correctly that this client is seeking someone in private practice who will accept OVS directly (not OVS reimbursement to the client paying out of pocket)?

Hi [Redacted] – 3/9 works at 10am. I think an hour should be enough.

Also I heard back from the victim in [Redacted] and she said she is open to therapists in midtown if you happen to have any referrals for that area.

I really appreciate your help!

Hi [Redacted],

Yes, I think this coming Monday is a little too soon. How much time do you think would be ideal? We could do Monday 2/9 10-11am if an hour works (that's right after staff meeting when most people hold the time free so easy to get everyone in the room). There's a meeting at 11am on Mondays every other week so an hour is often the best we can squeeze into that timeframe but we could look at a Monday afternoon or 3/30 is open 10am-12pm.

Hey [REDACTED] - yes what time are you thinking? I could do next Monday 2/24

On an unrelated note, we would love to schedule the mass casualty response training we had discussed. Do you have any Mondays that might work in the coming months?

Hey there, we've come up dry in [REDACTED]. Can she possibly travel outside of that one neighborhood? [REDACTED] doesn't have a ton of great resources. It's also slightly harder to find referrals that take OVS directly. Typically, if someone doesn't have insurance or isn't able to pay, we hope that they can be a bit flexible about where the services are offered. If they can be, it really opens things up quite a bit.

Hello [REDACTED], sorry for the delay! I'm copying [REDACTED] who has much deeper knowledge of good therapists throughout the city than I do. Does she have insurance or is she able to pay out of pocket?

Hey [REDACTED] - hope you are having a great week! Would you or your colleagues know a therapist in [REDACTED]? One of the Epstein victims is asking for referrals close to her. Any guidance is much appreciated!
