

██████████ was interviewed in Los Angeles, California. Present for the interview were her attorneys Gloria Allred and Marianne Wong, along with Dan Mullkoff via telephone conference. Also present for the interview was AUSA ██████████ ██████████, AUSA ██████████ ██████████, Detective ██████████ ██████████, and Special Agent ██████████ ██████████.

EPSTEIN was the center of ██████████ universe. EPSTEIN opened the door to a room and there were multiple assistants. ██████████ met ██████████ ██████████ who ██████████ felt organized a lot of stuff before ██████████ knew her. In the beginning, ██████████ mostly dealt with EPSTEIN. At one-point ██████████ passport was scanned and they made travel arrangements for her. EPSTEIN demeaned ██████████ in front of ██████████, saying "best little ██████████", referring to ██████████. The house maid usually opened the door for ██████████.

In approximately January 2005, ██████████ was supposed to go to EPSTEIN's island, but couldn't go because she had shows. EPSTEIN checked in with her. EPSTEIN told ██████████, "We are going to have ██████████ put you in my schedule."

██████████ recalled that in springtime she was shopping with EPSTEIN and maybe three other girls; they were shopping at Ralph Lauren. One of the girls was ██████████, who lived in the ██████████ apartment building. ██████████ recalled that the girls seemed like they knew the routine. ██████████ recalled thinking that all of the clothes looked like they were for old people.

██████████ went to a Rolling Stones concert with EPSTEIN. There were other people who went as well but ██████████ did not recall who all went.

██████████ described a lot of EPSTEIN's assistants being very pretty. EPSTEIN said that they all look expensive. ██████████ would call ██████████ to schedule appointments. EPSTEIN and ██████████ both contacted ██████████. ██████████ was EPSTEIN's assistant. ██████████ felt that she found ██████████ "kind of fake". ██████████ described ██████████ as an ambitious assistant running around doing everything to make him happy. ██████████ thought ██████████ saw things and "swallowed it".

A couple months into ██████████ knowing EPSTEIN, he became more comfortable. ██████████ began seeing ██████████; she would be in the background. When EPSTEIN forced ██████████ to ██████████" in the hallway, ██████████ saw ██████████ there. EPSTEIN was violent about forcing ██████████. ██████████ pulled away and ██████████ came in. ██████████ then left. ██████████ recalled this was in the hallway and kitchen was nearby. EPSTEIN was sitting on a cushion. ██████████ thought this was downstairs, maybe on the first floor. ██████████ walked in and said, "Oh haha". EPSTEIN was bragging about ██████████ later. ██████████ was so embarrassed. ██████████ had something to tell him. ██████████ does not recall if ██████████ came back but did recall EPSTEIN bragging about ██████████. EPSTEIN said that ██████████ was his "best little ██████████". EPSTEIN said this more than one time. ██████████ said, "That's good to know."

EPSTEIN referred to ██████████ as one of his girls to ██████████. ██████████ thought this was around the time that he had taken photos of her in her panties.

██████████ described having really short calls and text messages with ██████████. They discussed times to meet and most of the time it was ██████████ reaching out to ██████████. ██████████ never had EPSTEIN's phone number. ██████████ ██████████ was another assistant that ██████████ communicated with. ██████████ told ██████████ that anytime she wanted to talk with EPSTEIN to call collect. When ██████████ and ██████████

spoke, ██████ would say something like, "Can you meet at 11 on Tuesday...to give a massage.". This seemed normal to ██████ because this was how she scheduled with her booker.

EPSTEIN had an idea that all the girls were getting new underwear. ██████ ran an errand to Victoria's Secret to get them. They were in the office space with a table and bookcase, couch, and meeting room. ██████ had to try the underwear on in the staircase near the room. ██████ could not recall if this was before or after a massage but thought that maybe she had just come in. EPSTEIN stated, "This is what we are doing today.". EPSTEIN liked white lingerie, but hated black lingerie. ██████ then recalled that she did not know if it was ██████ or a messenger that went to get the underwear. EPSTEIN gave ██████ instruction to get them, saying, "Get more of those.". It seemed to ██████ that ██████ had done this before. EPSTEIN told ██████ to go to Victoria's Secret. EPSTEIN explained to ██████ what he liked, that he liked white lingerie. EPSTEIN wanted ██████ to put them on; EPSTEIN told her to put them on, like it was an instruction. ██████ did not recall other people being around. EPSTEIN had a camera. ██████ thought that ██████ had given her the underwear. ██████ described it was "kinda like, here it is". ██████ described EPSTEIN as being more comfortable with her; ██████ had stayed at his place. ██████ saw ██████ as a power girl; ██████ had this job and seemed to be on point.

██████ sent ██████ money via Western Union. ██████ wired ██████ money when she was in Paris planning to go to Croatia. ██████ had told EPSTEIN that she was not going to spend her summer with him; he seemed very frustrated. EPSTEIN told ██████ that ██████ would send her money. EPSTEIN had ██████ send ██████ a return ticket. ██████ sent ██████ an email asking her if she had received the money.

EPSTEIN made ██████ out to be someone to aspire to be. ██████ did not talk with ██████ about her life or background. ██████ was civil to ██████. ██████ could not recall if ██████ had given her money from massages. ██████ felt that ██████ knew what was going because she scheduled the massages.

██████ recalled that when she and her sister went to Paris she wanted to impress her sister. A house manager at EPSTEIN's Paris apartment scanned their passports. ██████ sister was really freaked out. They did not know why their passports were scanned. There were pictures on the wall of girls on the island.

██████ had conversations with EPSTEIN about school and Harvard. In the beginning, ██████ told him that she wanted to do. EPSTEIN told her, "Well, I know the President...I can get you a recommendation letter.". EPSTEIN told her, "You'd have to earn grades to get there but I can help you.". EPSTEIN gave ██████ a laptop; it was outdated. EPSTEIN gave this to her after she had massaged him. He went to a table and said, "Here, I don't need this anymore.". ██████ had her own SAT book; she didn't take a preparatory course.

██████ recalled ██████ didn't do anything workwise in front of her. ██████ knocked on her door to check up on her. EPSTEIN had given her roses and she asked ██████ if she was safe there. ██████ told her, "You're fine, completely safe here.". ██████ described the girls she saw were more outgoing than she herself was.

██████████ described a time where EPSTEIN dangled an event for her to go to then told her that ██████████ was going. ██████████ described ██████████ as maybe ██████████. ██████████ described ██████████ as very pretty and she looked like a model. ██████████ described ██████████ as Eastern European, possibly with a Russian, Polish, or Romanian accent. ██████████ seemed comfortable and outgoing.

██████████ received emails from ██████████ ██████████. ██████████ recalled speaking with ██████████ once. ██████████ sent ██████████ tickets when ██████████ moved to ██████████. ██████████ told her, "Jeffrey's wondering if you want to go to the island." ██████████ did not start speaking with ██████████ until after she moved from New York. ██████████ did not recall ever meeting ██████████. ██████████ was EPSTEIN's assistant. ██████████ recalled she still has some emails she exchanged with ██████████.

There was a roundtrip ticket booked for ██████████; GHISLAINE MAXWELL's name was either on the ticket as booking it or her account was listed on the ticket. This was when ██████████ was supposed to come back to New York. ██████████ recalled the tickets were through Expedia. ██████████ had heard MAXWELL's name before recalling that she was possibly a friend of EPSTEIN. ██████████ recalled seeing notepads with MAXWELL's name on it. ██████████ never met MAXWELL.

██████████ was in an apartment by herself; ██████████ did not recall meeting anyone else.

██████████ celebrated her birthdays during Fashion Week in Paris. EPSTEIN called ██████████ on her birthday when she was in Paris. ██████████ emailed her about her birthday; it was the first time she had been home in 3 years for her birthday. On ██████████ 18th birthday, her mother freaked out on them when they called her.

██████████ graduated from UCLA with a degree in film. ██████████ currently still models, writes, and directs. Modeling put ██████████ through school. ██████████ travels and takes photographs.
