

██████████ attended ██████████, a school in London for her A Levels, which are courses for 16 to 18-year-olds. ██████████ dropped out a few months after starting at ██████████, when she was approximately 16 years old. ██████████ met ██████████ ██████████. ██████████ held a birthday party for a 21-year-old named SILVER BRAMHAM. This would have been on or about November 1993. ██████████ had recently asked BRAMHAM when she had this party and when her birthday was. BRAMHAM's DOB is ██████████.

██████████ met GHISLAINE MAXWELL in early 1994. ██████████ turned 17 years old in March of 1994. The first person she met with MAXWELL was JEFFREY EPSTEIN; she met EPSTEIN within the first couple months of meeting MAXWELL.

When ██████████ was approximately 21/22 years old, she went to the EPSTEIN's island. She missed her flight her coming back and a random man helped her while she was at the airport, whose name she thought may have been KEVIN. This man took her to his home, where his children also resided, until she could get back home. When she returned she got divorced from her husband. ██████████ best friend, ██████████ ██████████ remembered this time period and recalled that ██████████ came back from the island a different person. ██████████ thought that this time with MAXWELL and EPSTEIN just seemed worse. MAXWELL had this finesse about her and was grooming ██████████.

MAXWELL would say, "I need you; I need you to fix this." Growing up, ██████████ mother would say something similar. Being in therapy, ██████████ recognized that MAXWELL would say similar things that her mother would tell her and it made it comfortable for ██████████.

██████████ and BRAMHAM had both attended Oxford. The birthday party was held at a club called Samantha's. ██████████ and MAXWELL are approximately the same age. ██████████ met ██████████ through a modeling agency. ██████████ recalled she was in the hotel lobby and was wearing a black velvet catsuit and white platform shoes; ██████████ looked really young.

When ██████████ divorced, she changed her appearance to include getting breast enhancement so she did not look young anymore.

██████████ and ██████████ dated on and off for years. ██████████ was the only girl at his bachelor party and was there for him after his mother died. ██████████ was disappointed in how he has handled this current situation. ██████████ called him and he laughed and said, "Oh, you're famous". ██████████ told him that it has been very difficult. ██████████ said to her that he did not know EPSTEIN all that well. ██████████ stated that this was absolutely untrue, as ██████████ did know EPSTEIN. ██████████ is currently living in London.

██████████ felt that ██████████ probably did not want people to know that she was only 16 years old when they dated. ██████████ felt that ██████████ likely would not want to talk to law enforcement.

██████████ friend ██████████ ██████████ has been very supportive. MAXWELL had introduced ██████████ to ██████████ in New York. ██████████ is currently living in New York.

██████████ was living with her mother, ██████████ ██████████ ██████████, back when she had met MAXWELL. They were living at ██████████ in London. ██████████ currently lives on the grounds at Windsor Castle. ██████████ explained that in order to live on the castle grounds you had to know someone. ██████████ sister's boyfriend was a groundsman.

██████████ was asked about a few photos that she had sent to her lawyers that had been passed on to law enforcement. In the one photo, where ██████████ was holding a dog, she stated that she was approximately 17 years old. This picture was taken in her mother's backyard at Eaton Square. In the two photos that were taken from a photo booth, ██████████ stated that she was approximately 17/18 years old. ██████████ and her friends would take photos of themselves at a photo booth in Victoria's Square.

██████████ thought that there were approximately two assaults by EPSTEIN before she started traveling with them, but was unsure about the exact number. This occurred at MAXWELL's residence in Kensington.

MAXWELL had acted like a teenager to ██████████ saying, "Oh I'm so excited for you to meet him", referring to EPSTEIN. EPSTEIN arrived and ignored ██████████. ██████████ felt that it was set up so that she had to prove herself and that MAXWELL's faith in her was justified. MAXWELL told her, "Don't disappoint me; don't let me down". MAXWELL hovered around the first time that ██████████ gave EPSTEIN a massage. MAXWELL went upstairs with ██████████ showing her where to go, but did not open the door. MAXWELL gave her some oil. EPSTEIN was in a robe. ██████████ knew that MAXWELL knew what was going on but MAXWELL was being coy about it, saying, "How did it go? Everyone happy?".

MAXWELL called ██████████ after that first time. ██████████ thought she had a cell phone at the time. MAXWELL told her, "Well aren't you a clever girl. Jeffrey was very impressed." Then MAXWELL asked when she was free or when could she come again. ██████████ felt that there was no chance of getting back to them; it was like she had to do this now.

The first and second time ██████████ saw EPSTEIN was within the same trip that EPSTEIN came to London to visit MAXWELL. The second time ██████████ went it was the "same kind of thing, just more". On the second visit, MAXWELL said, "Thank God you're here. If it's not you or someone, it all falls to me.". It was in this moment that ██████████ knew that MAXWELL knew what was going on and knew that this is what was expected. MAXWELL told ██████████ that it was such a relief that she met ██████████ and that she was there. ██████████ felt that it was like being in a pageant – like being presented. When EPSTEIN was ready, it was like "go". MAXWELL walked up the stairs with ██████████. MAXWELL opened the door and EPSTEIN was standing there facing them naked. EPSTEIN did not have an erection. MAXWELL told them, "I'll leave you guys to it.". Afterwards, MAXWELL asked ██████████ if she had a nice time, then they talked about casual things like what they were doing for the week.

MAXWELL told ██████████ that she had to find someone to give EPSTEIN a "blowjob". ██████████ did not recall exactly when this conversation took place but recalled that it was in London. MAXWELL never talked like this in front of EPSTEIN.

██████████ recalled receiving a Mumi Prada handbag from MAXWELL and EPSTEIN for her 18th birthday. The gift tag said "Love, Jeffrey and Ghislaine". This handbag was sent to her home. ██████████ did not recall if they were present for her 18th birthday.

MAXWELL was involved in the sexual contact with ██████████ and EPSTEIN on the island.

The first place that ██████████ went with MAXWELL was to New York. ██████████ thought it was this trip that she met ██████████.
