

██████████, DOB ██████████, telephone number ██████████, was interviewed on Little St. James.

██████████ was born and raised on ██████████. ██████████ was hired for security for Little St. James. ██████████ had heard of this job from a friend that worked with MICHAEL TURNBALL. ██████████ friend told her to call TURNBALL and see if there were any openings. ██████████ called Thursday, August 8 or Friday, August 9. August 12th was ██████████ first day working on Little St. James; she started at 7:00AM. Her job entailed securing the docks.

Tourists can pass through the waters near the island and stay on the boat, but cannot come onto the island. ██████████ had never met EPSTEIN nor had she seen him on ██████████.

Prior to working security on Little St. James, ██████████ worked for ██████████ and saw boats come and go from Little St. James.
