

When asked how [REDACTED] felt about the situation as a whole, she responded that it has affected her life greatly. [REDACTED] had a false sense of love at the time. [REDACTED] felt that they (JEFFREY EPSTEIN and GHISLAINE MAXWELL) seemed to be the only people who cared about her. EPSTEIN and MAXWELL seemed to be [REDACTED] family since she felt she did not have one. In her early 20's, [REDACTED] realized how the abuse had affected her. [REDACTED] personal and professional relationships were affected and her anxiety and depression has come in waves. [REDACTED] ex-boyfriend ([REDACTED]) told her that he was happy to help because "it messed up our relationship for seven years". [REDACTED] has been affected in a multitude of ways including having trust issues, opening up, love and values in relationships.

EPSTEIN and MAXWELL joked about [REDACTED] mother not being smart and how her mother did not care about her and was not a good mother. [REDACTED] believed them; EPSTEIN and MAXWELL showed her how life worked. EPSTEIN thought [REDACTED] was grateful for how he helped her in life.

[REDACTED] stated, "When you get beaten into submission, sometimes you just start to believe that is how life is." [REDACTED] saw everyone else around EPSTEIN and MAXWELL doing the same thing.

[REDACTED] felt that she held a sexual value to them, but she also felt that EPSTEIN and MAXWELL liked and cared about her. Both EPSTEIN and MAXWELL would make her feel that she had

to be grateful for what they did for her, but mostly it was EPSTEIN who let ██████ know that she needed to be grateful for all that he had done for her, including the lessons for which he had paid for ██████.

Over time, ██████ realized the relationship was not what she thought it was. ██████ “crazy” boyfriend had eventually helped her realize that the situation was not right. This was approximately in 2002.

DARREN INDYKE, EPSTEIN’s lawyer, called ██████ and said that she owed \$10,000 for the apartment in New York that her mother was subletting. ██████ boyfriend at the time told her to ignore EPSTEIN. ██████ boyfriend thought that EPSTEIN was her godfather.

When ██████ learned about EPSTEIN’s initial arrest (in the mid-2000s) ██████ felt alone and horrible. It was at that time that ██████ learned there had been a ton of girls involved. ██████ felt guilty that she had not said anything. Around this time, ██████ had a conversation with her sister (██████ ██████) about EPSTEIN. ██████ may have called her when it was on the news. ██████ told ██████ that ██████ felt she should have known. ██████ was angry. ██████ was unsure if ██████ asked her questions about it but ██████ wanted ██████ to do something about it. ██████ felt at the time that it would have been a pointless uphill battle. This conversation with her sister helped ██████

to understand how [REDACTED] was abused – it gave [REDACTED] a better understanding about the whole situation.

[REDACTED] has been affected greatly, as has her relationships and her relationships with her family. [REDACTED] still has to work through things. [REDACTED] relationship with her mother has been affected greatly and has gotten worse over the years. Now that [REDACTED] has her own children, her relationship with her mother has become worse. [REDACTED] thought that her mother was damaged and wondered if her mother had been abused herself.

When [REDACTED] was a child, [REDACTED] felt that her mother wanted her children to be special and great. [REDACTED] mother pushed the idea on [REDACTED] and her siblings sometimes. [REDACTED] was not sure if all of her siblings got into showbiz because their mother wanted them to be famous. [REDACTED] father was famous in Sweden. [REDACTED] mother wanted her children to be special and famous for her. This may have affected how [REDACTED] mother viewed EPSTEIN. [REDACTED] mother told her to always be grateful to EPSTEIN and that EPSTEIN wanted to hand out with her for a reason.

As EPSTEIN's conduct became worse, in terms of the sexual abuse on [REDACTED], [REDACTED] did not have a sense that she could tell anyone. [REDACTED] mother is middle Eastern....we were to do what we were told as a woman (page 4), even if they are beating you. [REDACTED] felt that she could not say anything.

EPSTEIN's brother reminded her recently that when ██████ was 13 years old their mother smacked her for telling her guidance counselor about her father.

The first sexual encounter with EPSTEIN, ██████ completely froze. EPSTEIN went about his business afterwards like everything was normal. ██████ thought that she could not tell anyone; ██████ had to bury it.

██████ stated, "It was horrifying, but they normalized everything so it was ok." MAXWELL helped a lot with normalizing everything and made it seem like "this was just what people do". Right away MAXWELL took on a sister role to ██████, saying something like, "I'm like your big sister." MAXWELL made it all seem normal.

MAXWELL and ██████ would have conversations; MAXWELL teased ██████ about boys at school. MAXWELL told ██████, "Once you have a guy, he is grandfathered in." ██████ stated this was "cheeky big sister wisdom". MAXWELL also took ██████ bra shopping.

At first, ██████ thought that MAXWELL and EPSTEIN were a couple, then she thought they were married, then she thought MAXWELL was EPSTEIN's assistant. MAXWELL and EPSTEIN's relationship was sometimes unclear.

Some of the "grooming process" with them happened prior to when any sex act happened. There was bra shopping, going to the movies, hanging by the pool. MAXWELL was

topless by the pool; she made it normal. This was early on when ██████ knew MAXWELL – approximately a month of meeting her. The first time ██████ witnessed other girls, who were older than her, topless by the pool was when she was 14 years old. The movie theaters where EPSTEIN and MAXWELL took ██████ was in Palm Beach or West Palm Beach; it was a close drive from EPSTEIN's home. They were normal movie theaters but not nice movie theaters. They would go to earlier shows, around 5:00 pm, and somewhat empty when they went. Sometimes other girls also went to the movies with them. EPSTEIN would not buy candy or popcorn; EPSTEIN was very careful with his diet and he pushed that on ██████ and others as well. ██████ knew she could not ask for candy or popcorn because EPSTEIN "fat shamed" people. ██████ could not recall how they bought tickets; EPSTEIN may have had the house manager buy the tickets ahead of time. ██████ had a memory of EPSTEIN handing out the tickets prior to them going into the movie theater. There were no couches in the movie theater. ██████ would not sit right next to EPSTEIN; EPSTEIN would be the one to decide where everyone would sit.

The first sexual encounter occurred in the pool house. The next sexual encounter occurred in either the bedroom or the massage room. There was some period of time where the sexual encounters were only with EPSTEIN. After time, MAXWELL became involved in the sexual encounters; ██████ was not sure when exactly MAXWELL became involved. The first time MAXWELL was involved in the sexual encounters with

EPSTEIN and ██████, there were two other girls there as well; it was all very casual. ██████ recalled two women, ██████ and ██████, who would join in. In the first instance, MAXWELL guided it, but other girls knew the routine. Sometimes, it started with EPSTEIN wanting a massage then he would say, "You girls come with me". Sometimes the girls would make out with each other during these encounters.

The average incident would be where they would go up to EPSTEIN's massage room. EPSTEIN would take a shower or would have just gotten out of the shower. EPSTEIN would be nude and get on the massage table face down. Some girls would be talking or laughing; it was very casual. Early on, they did not really talk to ██████. ██████ would be on "foot massaging duty" on EPSTEIN. ██████ wanted them to ignore her. MAXWELL would make out with other girls; she also taunted other girls. MAXWELL teased other girls, giggling and grabbing other girls' breasts, while directing another girl to get on top of EPSTEIN. MAXWELL was bossy; she would tell them all what to do. MAXWELL felt she had a big place in there; MAXWELL and EPSTEIN were a "power couple dynamic". ██████ stated, "You just do what you're told". ██████ stated, at first, everyone just took their clothes off except the underwear; clothes were just thrown on the ground. Other girls would massage EPSTEIN while MAXWELL directed the girls on what to do. Sometimes, this lasted a long time; it was very tedious. At first, they would be talking and massaging for a long time. It was casual; they would be massaging for

approximately 30 minutes. Then, EPSTEIN decided when he was over just chatting; he would turn around and decide who he wanted to grab or have grab him or who he wanted to have sex with him. When ██████ was asked if she saw these encounters end in sex, hand jobs, oral sex, and EPSTEIN masturbating, ██████ said yes, all these incidents occurred.

The older ██████ became, the more she saw while with EPSTEIN. There was a progression, which generally started with EPSTEIN masturbating then leading to sex observations eventually. This first started in Palm Beach; MAXWELL was present for these incidents. ██████ recalled an incident in New York that ended in full on sex; ██████ witnessed this. This incident occurred in EPSTEIN's massage room. ██████, a blonde girl, two other girls at the end, EPSTEIN and MAXWELL were all present. EPSTEIN grabbed the blonde girl very forcefully and had sex with her; the girl did not hesitate. MAXWELL was there and did not stop it; she acted like it was normal. EPSTEIN never used protection. EPSTEIN pulled the girl onto him on the massage table. ██████ was not sure who the girl was. ██████ thought ██████ may have been present for this incident. After this incident, ██████ either went back to her room in EPSTEIN's house or was driven home; ██████ could not recall where she was staying. This scene stuck with ██████ so much because it was somewhat violent. ██████ was not sure if this was the first time she had watched him have sex with someone.

EPSTEIN had a “thing” for blondes. MAXWELL was present for the massaging that ended in sexual activity. It was common but not as frequent as time went on, the abuse became more directed to just [REDACTED] with no one else in the room other than EPSTEIN.

When [REDACTED] was asked if there were times where it was only EPSTEIN, MAXWELL, and her in the room, [REDACTED] was not sure. As EPSTEIN progressed incidents sexually with [REDACTED], it would go back and forth between just being solely with [REDACTED] and going back to the group setting. [REDACTED] was present. [REDACTED] recalled that [REDACTED] husband at the time was a [REDACTED]. [REDACTED] described [REDACTED] as being tall, thin, with nice legs, and blonde hair. [REDACTED] was a professional massage therapist and lived in Florida. [REDACTED] recalled a red headed girl as well. [REDACTED] recalled a girl named [REDACTED], who [REDACTED] felt could back up what [REDACTED] had talked about regarding MAXWELL. [REDACTED] described [REDACTED] as being a model, who was holder than [REDACTED] and knew EPSTEIN and MAXWELL before she did.

The first time [REDACTED] saw MAXWELL nude was in Palm Beach in a massage scenario. When asked if MAXWELL made comments about [REDACTED] body, [REDACTED] was not sure if she had, but recalled that EPSTEIN had made comments. EPSTEIN took polaroid photographs of [REDACTED]. EPSTEIN took photographs of her, telling her to face away. EPSTEIN talked about [REDACTED] ass getting fat. [REDACTED] was approximately 15

years old at the time. This was in Palm Beach. MAXWELL may have helped with this; she sided with EPSTEIN or would giggle. EPSTEIN hired a personal trainer for [REDACTED]. [REDACTED] would work out at EPSTEIN's Palm Beach mansion. Both MAXWELL and EPSTEIN made [REDACTED] feel that she could not eat a lot.

[REDACTED] thought she went to New Mexico with EPSTEIN approximately three times, but was not 100% sure about the total number of times. [REDACTED] felt that MAXWELL always went with her and EPSTEIN to New Mexico, while others also accompanied them. [REDACTED] recalled EPSTEIN's brother, MARK EPSTEIN being going with them to New Mexico once. The first time [REDACTED] went on EPSTEIN's private plane to New Mexico, it was just EPSTEIN and MAXWELL. They traveled there for a weekend and [REDACTED] was somewhat ignored. EPSTEIN and MAXWELL had meetings and [REDACTED] was told to go hiking. [REDACTED] was not sure why they took her to New Mexico; [REDACTED] thought that EPSTEIN wanted to impress her. At the time, [REDACTED] did not care nor was she impressed. EPSTEIN would brag about his properties; he wanted to be a mentor. [REDACTED] did not recall if MAXWELL had talked up the ranch.

While [REDACTED] was living in Florida, she did not need her license to fly. [REDACTED] would tell her mother that she wanted to go and her mother would let her go. The first trip EPSTEIN wanted [REDACTED] to go in, he asked her. Ordinarily, EPSTEIN asked [REDACTED] to go, and she would ask her mother, but sometimes EPSTEIN would have a few of his assistants call.

The first time ██████ flew on his private jet was to New York. Her first trip to New Mexico a driver picked her up at her house and drove ██████ to EPSTEIN's Palm Beach house. Once at his house they traveled to the airport together from there. ██████ is not sure who drove to the airport. She recalls that when they typically arrive at the airport they would drive right up to the plane. She recalls sitting in the back seat of the car with EPSTEIN. On at least one occasion EPSTEIN sat in the front of the car and was not driving, while MAXWELL sat in the back with her. Typically, EPSTEIN would just get out of the car and everyone was just expected to follow him.

██████ was then asked about flight records and her first flight on his private jet. ██████ thinks it was to New York, and several people were on this flight. ██████ is pretty sure that EPSTEIN's brother was on this flight, and maybe his mother. Others on the flight she didn't know.

██████ was then asked names of people that were on these flight records and if she recalls knowing them. Her answers were as follows:

██████? –yes

Jeff Schantz? –no

██████? –yes...she was his ex-girlfriend and they stayed friends.

████████ met her a few times and is not sure if she was part of the massages.

████████ was then asked if she recalls the next private jet flight. She thinks that it was to New York. She thinks that the 3<sup>rd</sup> flight may have been to New Mexico.

████████ was asked if she remembers flying from New York to New Mexico to which she answers yes. There was a couple other people on the plane. The chef may have come with 2 other men possibly.

████████ was asked about the time that she flew to New Mexico with just EPSTEIN and MAXWELL, "could that have been from New York?". ██████████ responds "yes".

████████ was asked if she remembers how she got to New York first. ██████████ states she may have flown up from Florida to New York for the New Mexico trip. Although she is not totally sure of that.

████████ was asked about her first New Mexico trip and what activities she did. ██████████ recalls there being horses around. She recalls going hiking. She remembers not doing too much and just sitting around mostly. She does not recall specific abuse that may have occurred. ██████████ does not remember if EPSTEIN had a massage room in his New Mexico home but does he probably had one.

████████ was asked if she recalls any specific abuse that occurred in New Mexico and she states she is not sure. The

place was dark and she does not recall much details of this location. If there was abuse that occurred there it wouldn't have been a group thing, but she cannot recall anything specific. ██████ had her own room in New Mexico. New Mexico was the foggy of memories for ██████.

██████ was asked if there was ever a time when EPSTEIN came into her room while in New Mexico and she responds "no".

██████ was asked if she remembers how she left New Mexico the first weekend she stayed there. ██████ says no but on at least one trip home from New Mexico she flew commercially. ██████ had to be driven to the airport. ██████ would have had to be home in time for school, she recalls travelling all day on Sunday.

██████ was asked about a flight that she took on a Friday in 1997 from New Jersey (Teterboro) to New Mexico. She is asked if she remembers leaving at the end of the weekend. She states that there was a driver who brought her to the airport.

In New York ██████ recalls that EPSTEIN had a driver who was originally from Tibet. Her first trip to New York was to just go and have fun. This may have been the trip that she went to see the Lion King. There were some other persons on this flight who may have just been "catching a ride". On this first trip to New York MAXWELL and EPSTEIN picked out an outfit for her which was comprised of penny loafers, a Ralph Lauren sweater and plaid pants.

██████████ was asked if she recalls a flight she took from Florida to New York on a Monday. She says that this doesn't stick out in her mind specifically. EPSTEIN did not typically want ██████████ to miss school.

██████████ is asked about a flight from New Mexico to Florida that she took in 2001. ██████████ states that this is probably the last time she saw him. It was shortly after this that she had "that boyfriend". At the time she was living in Los Angeles. She may have had time off from work to be able to travel. ██████████ would typically get a few weeks off from shooting for the TV show around holidays. EPSTEIN was coming to Los Angeles with a bunch of people and told ██████████ she had to come with him on this trip. ██████████ felt she was being treated as an adult that doesn't need to get involved anymore. They flew to New Mexico from Los Angeles on his jet, or perhaps a charter BJOLRIN is not sure. Then the flow from New Mexico to Florida. ██████████ feels as though EPSTEIN may have been showing her off. They only spent about a day in New Mexico and then about 2 days in Florida. After this trip ██████████ flew back to Los Angeles on her own.

██████████ was then asked if she knows the following persons:

HENRY GEREKY? –sounds familiar

MARIA MINSKY? –no

██████████ was asked about a flight that she was on in May of 1998 from Florida to New York. She was asked if the following persons were on this flight:

GLEN & EVA DUBIN? –maybe

██████████? –yes, I think so.

██████████ then states that she liked ██████████. They hung out and she was nice. ██████████ thought she was so cool. MICHELLE was a friend of ██████████ and they would all sometimes go out drinking together. MICHELLE introduced ██████████ to the drink the White Russian. ██████████ was involved in the sexual conduct with EPSTEIN. MICHELLE may have worked for EPSTEIN's company and not sure if she was involved in the abuse. ██████████ took orders sexually from both EPSTEIN and MAXWELL. ██████████ had very large, nice and impressive breasts that ██████████ recalls seeing. This happened in either Florida or New York.

MAXWELL tells ██████████ what to do but is not exactly sure what she is told.

██████████ is asked if MAXWELL would tell her what to do. ██████████ thinks she may have coached or taught her what to do. ██████████ is asked how specific were the instructions given to her. ██████████ believes the instructions were given physically and not as much verbally. She was guided as to where on EPSTEIN' body she should massage.

██████████ is asked if MAXWELL was present for the "4 options" (masturbation, hand job, oral sex and sex) that EPSTEIN would do with other women in the massage room and

██████████ answers yes. ██████████ is then asked if MAXWELL was present for when any of these “4 options” were performed on her and she responded “I can’t remember”. MAXWELL’s roll was to normalize it all. MAXWELL wouldn’t talk about the sex acts before or after. In the beginning ██████████ was on the foot massage duty so she could watch and learn how to do all the other stuff.

██████████ was asked if MAXWELL knew that EPSTEIN was having sex with her and she responds yes. MAXWELL was witness to all the instances that happened in the room. MAXWELL was never present when EPSTEIN had sex with ██████████. ██████████ cannot remember if MAXWELL was ever present for instances of oral sex or hand jobs with EPSTEIN and ██████████.

██████████ recalls that MAXWELL was present for when ██████████ was pinching EPSTEIN’s nipples while he masturbated. At this time EPSTEIN was touching ██████████ on her breasts and her butt, although she does not recall if EPSTEIN touched her vagina at this time. MAXWELL may have been present when EPSTEIN used a vibrator on ██████████ vagina.

MAXWELL may have given ██████████ a vibrator in a box for Christmas. ██████████ threw it out because she was living at home, was in high school and was embarrassed. This happened while she was either living in Palm Beach or New York.

██████████ was asked if MAXWELL ever touched or kissed her to which she answers “I don’t think so”. ██████████ says “know

your audience” on why MAXWELL may have kissed other girls and not [REDACTED]. Certain girls didn’t have a problem with it as much as some other girls. This may have been based on their sexual experiences, background and willingness.

EPSTEIN was mildly sexual with [REDACTED] in front of other people, including MAXWELL. Maybe at most [REDACTED] put her hand on his penis.

MAXWELL bragged about who she dated and her conquests. MAXWELL was the female version of EPSTEIN. MAXWELL talked about her sexual interactions with other people but not about her sexual interactions with EPSTEIN. [REDACTED] did not notice any sexual energy between EPSTEIN and MAXWELL. They seemed to be like partners in crime.

MAXWELL in general would be direct, although [REDACTED] cannot remember specifics.

[REDACTED] was asked about the New Mexico trips she took and if she recalls and specific abuse that occurred there to which she answers she does not remember. MAXWELL would have been present for oral sex that occurred with other individuals, yes. [REDACTED] is not sure, but its possible that MAXWELL was present for oral sex with EPSTEIN and [REDACTED].

MAXWELL was present for occasions in with Florida and New York in which others performed oral sex on EPSTEIN.

[REDACTED] recalls a group massage instance that occurred at shutters on the beach in California. One of the girls gets upset

and does not want to give a massage. She cries because she has a boyfriend. MAXWELL was not present for this. There may have been another incident in which a girl got upset or was apprehensive about getting involved with the massages.

██████████ met HARVEY WEINSTEIN at a golden globes party while with EPSTEIN. EPSTEIN introduces ██████████ to WEINSTEIN and states "hands off my girl". EPSTEIN and WEINSTEIN laugh.

██████████ is asked about Interlochen, and how she turned 14 that summer that she met EPSTEIN while attending the academy. She is asked is it possible that she met EPSTEIN after she turned 14 to which she responds yes. ██████████ states she based meeting him at 13 years old because it was the summer and she was at summer camp. Her birthday is in August and she thought that it was before her birthday.

She was still living in Florida and still 14 years old when a fair amount of the abuse happened to her. At some point MAXWELL and EPSTEIN came to ██████████ house prior to the abuse. While still 14 ██████████ has the interaction with the photographer. ██████████ is 14 when the group massage abuse happens involving MAXWELL. While still 14 the pace of things moved fairly quickly with EPSTEIN. ██████████ touched EPSTEIN's penis right after the pool house visit. It started to be expected that something always will happen when ██████████ would go to visit EPSTEIN. MAXWELL was usually present for this in the beginning.

EPSTEIN would usually just grab [REDACTED] and say “come with me” when he was going to abuse her. [REDACTED] was asked if MAXWELL would ever follow her up with EPSTEIN when the abuse occurred. [REDACTED] says probably about once. There were times when MAXWELL was present and EPSTEIN took [REDACTED] for abuse upstairs. There were also times where MAXWELL told [REDACTED] that EPSTEIN “wants to see you” which then lead to abuse. There were times when [REDACTED] was directed to the massage room by MAXWELL when there was someone else already there.

Oral sex with EPSTEIN took about a year to happen. This happened when they were still in Florida.

[REDACTED] was 18 while attending the professional children’s school.

The rape incident happened in New York. [REDACTED] is not sure where she was living at the time. [REDACTED] thinks she was staying with EPSTEIN though at the time. She was visiting him and recalls going back to her room after the incident. [REDACTED] did have a pregnancy concerns. [REDACTED] did not talk to anyone about this. At one time [REDACTED] did not have her period for about 6 months so she bought a pregnancy test. EPSTEIN never used protection and [REDACTED] was not on birth control.

This type of assault (rape) continued while [REDACTED] was living in New York (45 Wall Street). [REDACTED] is not sure if MAXWELL or EPSTEIN ever visited her while she lived there. They visited [REDACTED] 1-2 times at her house in Florida. This was

about a year or 2 after meeting him. From when ██████ met EPSTEIN to when she moved to New York she lived in the same house in Florida. This house was in a gated community called "Bear Lakes". It was a 3-bedroom house.

During the summer of 1994, 1995 and 1996 ██████ attended Interlochen summer camp. During the summer of 1997 she attended Tanglewood summer camp outside of Boston. The summer before her senior year (1998) ██████ spent all in New York. She was 17 going on 18 years old this summer. ██████ stayed in one of EPSTEIN's apartments during this summer. She also stayed in his mansion for a bit before moving into 45 Wall Street prior to her starting school. This summer it was her responsibility to find her and her other a place to stay. ██████ was not sure if EPSTEIN was going to pay for this apartment or not. She just looked for the cheapest place to live that had 2 bedrooms. Eventually ██████ tells EPSTEIN that she found an apartment. ██████ is not sure how she found this. EPSTEIN may have had someone help her out but she's not sure.

██████ is asked about the Miss Teen USA pageant she participated in. ██████ states that her mother forced her to do this and she didn't want to. A Swedish friend of ██████ mother helped with this. She was a modelling agent in Florida. This pageant was not EPSTEIN related. ██████ recalls this happened prior to her senior year. She remembers dress shopping with her mother in Palm Beach. They bought a dress

and ██████ hated it. ██████ is asked if she recalls her sister helping with this at all to which she says no. ██████ recalls meeting her sister in New York at some point. Her sister came to EPSTEIN's mansion. Her sister wasn't really around much at the time. She is 10 years older than ██████ and had 3 kids at the time and lived in Boston. ██████ does not remember the context of her sisters visit to EPSTEIN's mansion.

██████ is asked about MAXWELL making threats. ██████ states that these were scolding, stern phone calls for being ungrateful. MAXWELL would set up appointments and make travel arrangements. She would talk about when and how they would travel. MAXWELL would discuss logistics. She would make travel arrangements for commercial flights that ██████ would take. ██████ would hear MAXWELL on the phone booking flights. She's not sure exactly who MAXWELL was talking to but she did make these calls. MAXWELL would talk to ██████ about upcoming trips. ██████ does not recall word for word what these conversations were.

██████ is asked if she recalls when travelling from one place to another did sexual abuse occur on the other end and she responds but stating "yes". ██████ states that it always occurred on the other end. There was maybe 1-2 times that it did not occur.

██████ is asked if during her first trip to New York, did abuse happen and she responds "yes but I don't specifically remember that abuse". ██████ is not sure how she got back

home the first time. [REDACTED] is she recalls having any particular feelings on her first trip home from New York and she states not that she recalls. [REDACTED] is asked if there are any times that when leaving New York that she felt relieved to which she states "every time". [REDACTED] states that generally every time she traveled with them she was abused. Both 1 on 1 and in groups. MAXWELL was involved in the group sex that occurred in New York.

[REDACTED] is asked about the incident in which EPSTEIN was touching her breasts with MAXWELL present, and if she recalls where that happened. [REDACTED] states that it may have happened in Florida.

[REDACTED] is asked about when things escalated to oral sex with EPSTEIN. [REDACTED] recalls that that started with the 1 on 1 incidents.

MAXWELL did not discuss the abuse afterwards, or ask how it was.

[REDACTED] was asked about a TRUMP allegation of sexual abuse. [REDACTED] states no. There was some picture circulating of [REDACTED] with a different name associated with it saying that she was a victim of TRUMP but this was not true.

[REDACTED] states that at first she was not afraid of EPSTEIN. Once she broke free from him [REDACTED] was not sure what he would do. After breaking free from him she did not learn of any additional victims of his.

██████ recalls reading some things about girls disappearing but this turned out to be hearsay from ██████  
██████ attorney.
