I'm gonna start sending you the word files for the 302's as I complete them. This way you can proofread them while at home and don't have to spend as much time in the office. They are a few highlighted sections in this one that need special attention. Please send the word file back to me when you think it's good 👍.

Also can you please do the same to me for your 302s? As you finish them up just send them over and highlight sections you have questions on. Not sure how long I'll be working from home for but this is stuff I'd rather get done here.

Thanks!
