Sentinel is currently down for maintenance and I'm leaving shortly for a training this afternoon so unfortunately getting you this weeks [REDACTED] 302 today will be impossible. We took 30 pages of notes on that so we will have to dedicate a large chunk of time to bang that out. We will, as we have been doing prioritize her 302's and other relevant ones to the top of our list. We will do our best once sentinel is up to type as much as possible this week. The [REDACTED] 302 from 12/17/19 is complete and we can forward that to you once sentinel is back up and we can download it. In the meantime I've attached the most recent interview notes for [REDACTED], [REDACTED], [REDACTED] and [REDACTED].

Hey [REDACTED] [REDACTED] – if it's at all humanly possible, could we please get 302s today for the most recent two [REDACTED] interviews? We have them for 2019-09-19 and 2019-11-14, but not for 2019-12-17 (we just have the notes) or last week. Our supervisors want to meet on Maxwell and we want to be able to show them the reports. Even if they're just drafts, that's fine for now. Thank you!!
