Huge apologies for the delay on this, we have been completely underwater on a bunch of memos this week, but I'm sorry for letting this lag! Would it work to talk with Katrina sometime tomorrow (Thursday) afternoon or Friday? Or early next week? We'll get a quorum anytime that works for her and you guys and talk it through.

thanks,

I apologize, I assumed you were aware of this. This is a new PC investigation. There's an investigation regarding a CBP officer... I've reached out to the agent assigned. Her name is [REDACTED] email [REDACTED] She is free tomorrow for a call if you guys are available.

[REDACTED] we did not realize that this separate case was also an investigation relating to Epstein. Our bosses have asked us to coordinate with that investigation. Should we talk directly with that team, or have a call all together? We were a little blindsided by it with our chiefs so we'd like to get up to speed as soon as possible. Also, given that it's related to Epstein, please ask the other agents not to contact [REDACTED] counsel until we've all had a chance to chat. Thanks.

Hey all,

Could you send me the name and contact information for [REDACTED] attorney?

There is a separate case where his name came up and a few agents want to reach out and speak to him, so if you could send me that contact info I'd appreciate it.

Thanks,
