Hello [REDACTED],

Unfortunately I have no way to give you a hard token. All of the RSA tokens are now installed on the phones (iPhone or Android). I am sorry.

Hi [REDACTED]-hope your holidays were well.

My work phone is Bureau issued and they are the only ones who can add things to the phone. That is why I asked for the hard RSA token.

Please inquire,

Thanks,

Hello-

Attached is the completed form. Let me know if you need anything else.

For the RSA Token-I need the physical token. The FBI agents/analysts I work with have the physical RSA token which was mailed to them.

Thanks,
