[REDACTED] - I made that clear to [REDACTED] last night. But I am concerned they are going to ask for additional clients.

Hi [REDACTED],

VSD did not agree to pay for more than the 12 sessions (that must be pre-approved by VSD). Which client is this?

[REDACTED] - I just received the below text from [REDACTED] daughter. I think we should have a conversation about moving forward- what do you think?
There's more with her asking about the one LG also that [REDACTED] as asking about. Let me know what you think ?

Hi. Quick question. Please remind me, in addition to 12 counseling sessions paid for by the FBI for our Epstein victims/clients, are there any additional counseling appointments paid for? Think I recall you telling me the FBI agreed to more but don't recall how many more & if it must be approved re the additional ones for each client or all clients are able to get more than 12 sessions? You can text or call me. Also, wishing you happy holidays:)))
