Subject: [EXTERNAL EMAIL] - Jeff Epstein victims fund

Hi I wanted to inquire about victims services. I am a victim of Jeff Epstein's. He raped me at Peter joys apartment in 1991.

I also need to inform you that the victims fund is corrupt and the administrator is doing the exact opposite of what is promised in her protocols.

She is harming all rape survivors by betraying the trust of the Epstein victims. She is excluding the real victims and filing claims under false identities , processing them and laundering money. This woman is a liar.

I need more services because of this woman than any other reason.

Looking forward to some healing. Thank you
