I need more information and a needs assessment done before I can push this up for approval:

- Although she was identified in original investigation, does [REDACTED] need to interview her too? Have you spoken to her, [REDACTED]?
- Why is she just now wanting counseling?
- What is her financial situation like? Where is she currently residing? Where was she victimized?
- What about the victims fund that's now open?

Sorry everyone I was wrong. [REDACTED] said she did not receive approval. She thought it was OK since the others had been approved. Let me know how to proceed?

We need to talk about this individual? Even if she is a victim, I need to understand the details as to how this is FEVAF worthy - why is she starting counseling now? What other options have we gone through for counseling?

Thanks,
