[REDACTED] - im wondering if we should have a call the 4 of us to discuss these moving forward? And if we will not be approving moving forward then maybe a way communicating that to the attorneys/ victims? I just had another message from [REDACTED]. What do you think?

[REDACTED] had also reached about that other one in addition she is asking about [REDACTED] receiving additional sessions.

We need to talk about this individual? Even if she is a victim, I need to understand the details as to how this is FEVAF worthy - why is she starting counseling now? What other options have we gone through for counseling?

Thanks,
