For situational awareness, I received a voice-mail on my personal cell from private investigator [REDACTED] this morning on behalf of [REDACTED], one of victims in the above case. Ms. [REDACTED] and others also have pending civil litigation.

[REDACTED] from S. FL and has been involved in a number of high profile cases over the years, OJ Simpson, William Kennedy Smith and Casey Anthony.

I've cc'd [REDACTED] my old supervisor and [REDACTED] the case agent from NY on the pending prosecution.

Thanks,  
[REDACTED]
