Hi [REDACTED]

I hope this email finds you well up there in the very snowy northeast. I'm stuck in Minneapolis with temps above zero today for the first time in three weeks. I don't know which is worse!

I wanted to touch base with you about [REDACTED] (now [REDACTED]). She was very resistant to therapy last year when you and I first spoke, but after some time she now sees it's a good idea for her to go. She plans to see Lisheyne Hurvitz, the same therapist treating [REDACTED]

Before she starts next week I wanted to confirm that she is still eligible for the 12 therapy sessions paid by the FBI.

Additionally, since you and I last spoke, we have been retained by [REDACTED]. She is identified in the PBDP reports so I believe she should be a known victim to the FBI. Would she be eligible for 12 sessions as well?

Thanks much -

Jessica
