Hello Ms. [REDACTED],

I understand that you wanted an email introduction in the first instance. I'm Special Agent [REDACTED] with the Federal Bureau of Investigation, and copied on this email is Detective Constable [REDACTED], who I understand has been in contact with you. Thank you for being open to speaking with us. I work out of our New York Field Office working child exploitation and human trafficking matters. I am one of the case agents assigned to the investigation into Jeffrey Epstein and Ghislaine Maxwell. In working this case, I work alongside my partner New York Police Department Detective [REDACTED], who is also a member of our child exploitation/human trafficking task force. We have been working with three Assistant United States Attorneys. In trying to be thorough in this investigation, we have been trying to meet with anyone who could possibly have information regarding Epstein and/or Maxwell. We would like to do an interview, likely over video conference, around the first week of March if that would be convenient for you. I am happy to answer any questions you may have and I look forward to speaking with you.

Thank you,

[REDACTED]
