Importance: Normal

Hello [REDACTED] – I was contacted by a woman by the name of [REDACTED] who says she has information about Epstein/Maxwell and [REDACTED] that is of a highly sensitive nature. She said she is concerned for her safety and has physical evidence including pictures. I didn't get much out of her other than the fact that she indicated she was very scared to come forward. I told her that I thought the safest way for her to share whatever information she has was by contacting you. I gave her your email but she just asked if she could have a contact phone number. Is there a good number where she can reach you? I am unclear if she actually has information because she was hesitant to say too much.

I hope you are doing well.

Best,
Sigrid
