Hello again,

For next week, you will be meeting at 500 Pearl Street, New York, New York. You will go to the 5<sup>th</sup> floor. There will be a side for Pre-trial services and the other side will be a door to the US Attorney's office. Go to the US Attorney side; there will be a door where you will need to identify yourself and buzz in. You'll be buzzed in and down the hallway to the left is the US Marshal's door – this is where you will need to go to get Maxwell; she will need to be escorted down the hallway to the proffer room. She can be uncuffed while in the proffer room but she will need to be cuffed if she moves rooms or needs to use the restroom. When escorting her down the hallways, be sure there are two of you escorting her.

When she is in the proffer room with her attorneys, you do not need to be present in the room. You can be outside the door. Any other times, you will need to keep her in sight.

If you have any issues getting into the US Attorney's office, feel free to reach out to [REDACTED].

[REDACTED], if there is anything I missed feel free to add.

Thanks!
