Hey everyone,

Slight change in plans for Tuesday through Thursday. The Evidence Unit will be bringing the evidence over early in the morning and the US Marshals will be bringing Maxwell to 500 Pearl early. Please plan to arrive by 8am instead of 9:30am. The review will continue until 4:30pm.

Feel free to reach out with any questions.

Thank you all!

Amazing, thank you all so much! I really cannot tell you how grateful I am to all of you for helping out with such a tedious task. It is a huge help.

The best way to reach me with any questions about logistics is on my cellphone at [REDACTED]. I will plan to arrive on the 5th Floor of 500 Pearl every morning by 9am (or possibly earlier if the evidence folks need to get in earlier) and can let the SAs into the proffer room area any time after that. In terms of scheduling, the review is set to last each day from 9:30am until 4:30pm.

I've also cc'd the other AUSAs on the case, some of whom will likely stop by for chunks of the review period next week. Please don't hesitate to reach out with any questions at all, and thank you all again.
