**Subject:** Travel to Farmington - assist with interview space

Hi good afternoon,

[REDACTED] from the Durango office told me you were the right person to get in touch with in [REDACTED]. I'm working the Epstein/Maxwell case out of New York and I have a victim who was originally in [REDACTED] but is now in [REDACTED]. I was coordinating travel, etc with [REDACTED] until our vic said [REDACTED] was closer to where she is presently staying. She has agreed to sit down with us for an in person interview on Tuesday April 13. We possibly may also meet with her the following day. I wanted to see if it was possible to use an interview space if you have one available. Also happy to talk via phone if that's more convenient.

Thanks,
