[REDACTED]

So good news! I got the okay to have the defense lawyers come to the Bronx warehouse. They will just have to look at it in the hallway area, not in evidence space. So I will get the ECTs to pull the rest of the evidence and have them set them up on table so the defense attorneys can view the items.

Once they view the items and decide which they would like to bring to Maxwell for viewing we will keep those aside and arrange transport of those items with an ECT at 500 Pearle. I will schedule this for April 12th as you mentioned, but if the date needs to be changed or you have any questions please feel free to reach out! Thank you so much!

Best Regards,

Hey [REDACTED]

Do you have a quick minute for a call regarding a visit to the Bronx and transport of evidence to 500 Pearl for defense review? We'd like to get this all scheduled for the whole week of April 12 (next week).

Thanks,
[REDACTED]
