Thanks [REDACTED]. I know that the client seeks to continue treatment, if that makes a difference, perhaps they can pay for future treatment with same provider.

Thank you!

Hi Maria- I will ask VSD but I am not sure since all were instructed approval from VSD had to occur prior to any treatment. Let me ask and I will get back to you

Good morning [REDACTED]. I hope this email finds you well. I wanted to ask if we would be able to seek reimbursement/payment for treatment received by victim [REDACTED]. She is a Florida Epstein victim who does not have health insurance and has paid for her treatment on her own. Below is the name of the Counseling Center and the visits.

I have attached two invoices here. The first invoice for \$900.00 has been paid in full and the second invoice remains outstanding.

I believe that you have already interviewed the victim. Please let me know what else would need to be done to get this approved and paid.

Hope you have a wonderful Thanksgiving.

Thank you!
