Hey [REDACTED], no worries.

Wee did not seize documents during Maxwell's arrest. As far as footage from Palm Beach, the only video was Palm Beach PDs video walkthrough of their search warrant from 2005.

Sorry, I see you are out of office. Are you able to provide clarification on #2 below regarding additional docs, or #3 video footage from Palm Beach residence?

[REDACTED] -

I just got this and will be pulling together a response with talking points on what we've previously submitted (as I usually do with these requests) and the most recent files you sent along.

The only one I am not 100% on is probably going to be #2 and whether there are any other documents outside of the address book.

To my knowl dfe, there is no video surveillance from the Palm Beach residence.

I am in Houston for the CAC Basic training today but will be back in Linthicum tomorrow / Wed.

**Subject:** OCA REQUEST: Letter from Senator Blackburn to Director Patel

Good afternoon,

On February 24, Senator Blackburn wrote to Director Patel regarding the Jeffrey Epstein investigation and evidence. In her letter, she requests the following:

1. The complete flight logs from Jeffrey Epstein's private jet and helicopter.
2. Any records that were in Ghislaine Maxwell's possession that contain the names of individuals associated with Ms. Maxwell or Mr. Epstein, including but not limited to Maxwell's "little black book."
3. All video surveillance footage from Jeffrey Epstein's Palm Beach, Florida, residence.
4. Any other documents, records, or memoranda related to the Jeffrey Epstein and Ghislaine Maxwell matters.

If there are any materials that Senator Blackburn has requested in her letter, which we are able to provide, please include when submitting responses. If not, please address why the materials/information cannot be shared.

Talking points repository has an Epstein summary which may be useful to reference. It is available here: [Epstein](#).

**Please send responses back by COB Tuesday, March 4 with SC approval.**

Best,
