Hi [REDACTED],

We were in contact a little while back regarding the below mediator (Simone Lechuk) in the Epstein case.

In that she is currently stating she is feeling threatened (referenced below), do you have an AUSA still assigned that can review the dozens of correspondences that Ms Lechuk has received in order to determine if it meets any statutory requirements?

Thanks

Thank you SA [REDACTED]. However, we all feel very threatened by what is happening and we're getting no specific direction or help. Who is the appropriate party? I am happy to be in touch with that person directly. We would like to understand next steps.

Thank you,

Simone

Good afternoon Ms Lechuk,

I am currently away from the office. When I return, I will bundle what you have sent me and send it to the appropriate party. I do not need further correspondence from [REDACTED] at this time.

Regards,

GREAT ARTISTS ALWAYS OPPOSE CAPITALISM/elites. COPE. ▲ 🇸🇩

We artists are about to get really loud. My name was smeared and stolen by conspiracy TRUMP/EPSTEIN freaks bc YOU AND BOIES made my name the lowest hanging fruit, as the COCONSPIRATORS were protected adult JANE HOES. MY TALENT WILL NEVER BE STOLEN.

As I was used to expose this case, your JANE HOE adult clients hid from their DECADES OF TROLLOP WORK. 🤔 TWAT PEDDLING IS ILLEGAL LAST I CHECKED. So is selling humans into slavery, or marrying them to traffic them. SO IS TRAFFICKING YOUR OWN DAMN CLIENTS!

Simone, your ilk fancies "collecting" what artists like me create. You lack all creativity, so you harm victims of Weinstein/Epstein for a living.

Badly WAYWARDS my new lawyer will be billing you for the art for which you never paid.
