Hi ████████,

I am a Unit Chief with the FBI Victim Services Division.  We are not requesting victim names.  We are trying to deconflict with your office on notifying victims about the release of names today.  Are you available for a quick call?

Respectfully,

Hello ▮▮▮▮ ,

I hope you are doing well. We are attempting to track down any actions your office may have taken (or might be taking) related to Epstein and possible victim names being released. Could you please give me a call on my cell? ▮▮▮▮ .

Thank you,
