Hey guys,

I had a conversation with [REDACTED] yesterday. So news may not have gotten back to his lawyer yet that we talked. [REDACTED] did not articulate a stalking situation to me and disclosed that he had not observed any crimes or any mention of this investigation. He is concerned about 2 people he hired at his job and does not trust them.

If you want to respond to his attorney and let him know I'm in touch with him but he needs to continue to report to local law enforcement if he has concerns about people he employed. He wants to let us know about it because he admittedly is theorizing that they are connected to the Epstein investigation.

Let me know if you want to chat further about this.

Hey [REDACTED]

See below from [REDACTED] counsel. Would you guys be ok with me putting you in touch with him? Or would you prefer I take a different approach?

Thanks,

Hello [REDACTED]

I hope all is well with you and sorry to bother you with this because I know you are busy however I do not know who to reach out to. [REDACTED] contacted yesterday and said he has been trying to contact the agent but the number is not in service. [REDACTED] believes that for the last several weeks he is being followed and stalked. I told him to contact his local police department and file a report. He asked that I inform you.
