[REDACTED] – my understanding is that [REDACTED] submits the formal request to the Discovery person; but she needs the names/ cell numbers to submit it? We need to ask the VS their cell number and the victim they spoke to/ cell. [REDACTED] always sent them to the group but I can send today if that is easier for you?

[REDACTED] – do you have specific language you would like us to ask the VS? Or would you like to send out and copy us?

Hi [REDACTED] – thank you. Is [REDACTED] supposed to send a request for this information? If so, she could send it to me, and I could forward to the VSs noted below. Since HQ/OGC is involved, I can help ensure that VSs adhere to the request.

Do you have case #s to include?

Thanks,
