Hi [REDACTED]! Hope you are doing well! I did work the Jeffrey Epstein case and never dealt with any pictures so I have copied the case agents.

[REDACTED] & [REDACTED] – please see below. How should we proceed?

Hi [REDACTED],

I hope this email finds you well and New York is starting to experience some nice fall weather!

The CPVA box received the below email from an individual stating her photos were in Jeffrey Epstein's possession. In speaking with [REDACTED] indicated that you were involved with this case. Before [REDACTED] or I respond, we wanted to reach out to you and see if this is something you would prefer to discuss with the investigative team and/or make outreach yourself to the victim? Happy to do whatever you think is best.

Thank you!

Respectfully,
[REDACTED]

Subject: [EXTERNAL EMAIL] - My pictures

I am writing because I need some help. I'm not doing so well.

Here's the deal, when I was ten years old this man took pictures of me, Those pictures were given to another man in my presence. Then as an adult they set me up and took picture of me the same way.

These pictures were in Jeff Epsteins possession. These pictures are in David Boies possession. You can easily identify his vehicle in the adult photos. It's a unique vehicle.

I also noticed that when I run my name through Google that pictures of people who were there during these photographs pull up as well. It's unusual and it's disturbing. Either way I know that these creeps are laughing at me and getting away with this.

The New Mexico attorney general has an investigation open. You can verify this. I am not privvy to the details. I told a Dr. In New Mexico and he put it in my chart. I haven't been able to find the Dr

I'm desperate to get these pictures back. I feel humiliated that people can see them and I am at my wits end. I know that the fbi doesn't really communicate with civilians but I am begging you to please help me.

I know the pictures were in the Epstein media files. It is pictures of me at ten. The other pictures [REDACTED] and I'm in the back of Boies car, tan interior, with Epstein. Please please try to find out if I am able to get these pictures back. Please, I am miserable and heartsick about this.

Respectfully,
[REDACTED]
