Hey [REDACTED],

These are the recommendations [REDACTED] had for therapists she has worked with and victims have been very receptive.

The crime victims treatment center – cvtcnyc.org – they are free and [REDACTED] mentioned they had some of the best trauma therapists in the city.

She also mentioned the below therapists:

Eri Kim – ejwellness.com

Amy Edelstein – amyetherapy.com

Hi guys! It was great to talk with you the other day. When you get a chance, would you please send me the list of therapists who have experience working with victims of violent crime? Hoping to send that list to my friend soon if possible.

Hey Team,

Me and [REDACTED] started reaching out to some of you via text when it was discovered that some if not all have moved on from SDNY 😞. We were hoping to hear from all of you guys of course, but in particular to this instance anyone still employed by USDOJ about the appeals status of Maxwell. Me and [REDACTED] have been received multiple FOIL requests and requests to present a case study, which we haven't been able to address due to the ongoing appeals.

Let us know thoughts over email or were good to jump on a call if this is a complicated answer.

Hope all is well and miss you guys!
