[REDACTED],

Hope all is well brother. [REDACTED] is a classmate of mine who sits down at HQ. She has received some real specific info on some notable targets/victims in the Epstein case. I've put [REDACTED] on this email. Unlike me, [REDACTED] is very easy to deal with.

I am not sure if [REDACTED] and [REDACTED] are still working that case, and given the nature of the info and from whom it came, I thought it best to intro you two over email.

Good luck guys!!
