Hi [REDACTED]

Hope you're doing well. I'm writing to ask if you could please help us track down some records of calls into the hotline for the Maxwell and Epstein investigations. The attached file lists each recorded call for which we do not have an FBI report or other documentation for. Each sheet on the attach corresponds with each of the four indices we had that listed all of the calls into the hotline. Some of the calls appear to have serial numbers (so hopefully these aren't tough to track down at least), but others do not. Would you be able to look into these to help us get any remaining reports or other documents related to the calls recorded in the attached, so we can produce to defense? Please let us know if you need any more information or if we can be of use.

Thank you,

[REDACTED]
