Subject: [EXTERNAL EMAIL] - FBI Trial Support for Maxwell

Good Morning:

As you may already know, the Court has authorized the use of the 40 Foley Bridge for the trial team, AUSA supervisors, case agents and witnesses (*not their attorneys*).

At the Marshals Service request, can you please provide me the names of any additional FBI Special Agents who may be assigned to escort the witnesses to and from court. Additionally, if the FBI will need to drive any of the witnesses to/from our building, please let me know in advance and we will reserve parking and coordinate access into our building.

Thank you in advance.
