An attorney serving as outside counsel for the Attorney General of Virgin Islands in a civil matter against the Jeffrey Epstein estate contacted SSA [REDACTED] regarding information obtained in the course of her investigation.

Two women, one located in New York City and one located elsewhere, have made accusations against Jes Staley, the CEO of Barclays Bank, of violent rape. One of the women believes that she spoke to the FBI with these accusations previously. Attorney [REDACTED] wanted to be sure that the FBI was aware of these accusations.

In addition, during the course of their investigation they have seen information showing that Epstein's attorney and accountant were aware of the activities occurring and were helping in perpetuating the crimes being committed by covering them up.
