No need. Thanks for the heads up. I will advise Boston and request they do not proceed.

We would prefer that this presentation not occur right now as the jury verdict we just got was appealed by the defense and the judge is going to be taking a hard look at it due to the one jurors recent interview. A re-trial is a distinct possibility as a result.

Happy to discuss further with you or the BS POC if need be. Cell would be best [REDACTED]

Thanks

[REDACTED] -

Hope you and yours are doing well.

[REDACTED] forwarded your name to me - I'm the InfraGard Coordinator for the NYO and the NY Metro InfraGard chapter. My counterpart in Boston was looking to host a webinar on the NH efforts to locate and capture G. Maxwell, but wanted to deconflict with the CAs in NY. As I understand it, the proposed presentation only includes steps taken to locate and arrest, nothing related to the material investigation or trial. Let me know if you'd like to discuss and/or if you'd like me to connect you with the Boston SA to discuss. Thanks.
