Thanks, █████. We just finished the plea, and it went through. Sentencing is scheduled for June 10 at 10am, but there's a good chance that does not happen. █████ and █████, if you wouldn't mind providing █████ and █████ with the update (it did not look like █████ called in), that would be great. If they have any questions or want to talk about next steps, let them know we'd be happy to chat!

Hi all,

It looks like the plea is scheduled to go forward tomorrow, although there are still some COVID-related uncertainties. But we should let the victims know. [REDACTED], could you reach out to [REDACTED] and let her know? [REDACTED], I know you were having trouble with [REDACTED] number but could you try and get a hold of her? We'll reach out to [REDACTED] lawyer and let her know. The plea will be tomorrow at 10:30 by video, so they can dial in if they would like (info below).

Thanks,

Hi [REDACTED] and Mandy,

Congratulations on your convictions in Maxwell!! Hope that you were able to take some well-deserved rest after you got the verdict. We wanted to give you a little update on Harris. His attorney has indicated that he wants to plead guilty, and we currently have a plea hearing scheduled for Friday at 10:30. That being said, the attorneys still need to actually talk to him and review the final plea offer with him (which is slightly different than what they had told him it would be). Given the access issues at the MDC, there's a chance it doesn't move forward or that he backs out. We should hold off on telling the victims until we have more of a sense that it will really happen, but we wanted to let you both know. We'll keep you updated as soon as we hear more from his attorneys.

And happy new year!!
