Subject: [EXTERNAL EMAIL] - Note to file re call with Peter Brill re [REDACTED] [REDACTED]

Date: Tue, 14 Dec 2021 21:07:02 +0000

Importance: Normal

I just spoke on the phone with Peter Brill. I informed him of the nature of my conversation with [REDACTED] earlier today (see previous note to file). Brill asked why the defense would want to call [REDACTED]. I said that the only relevance I could think of was that one of the victims at trial testified that someone named [REDACTED] was present for sex acts after that victim was over the age of consent, but the victim did not say it was [REDACTED] [REDACTED] and did not identify [REDACTED] as the person who engaged in sex acts. I further informed Brill that I did not know whether or not Epstein had engaged in any sexual activity with [REDACTED]. Brill asked for defense counsel's contact information, and I gave him [REDACTED] number. I told Brill we would like to speak with [REDACTED] if she remains on the defense witness list, and Brill indicated he understood.
