Thank you [REDACTED].

In regards to Epstein there are some that state they are victims that never spoke to us / and identified as victims. I can look up the name to see if they are or not.

Hi [REDACTED],

[REDACTED]

Another off topic question for you- I have a claim from an Epstein victim that was not put in by your office. I think she put it in herself. Should I refer her to you or can I see if you guys already have her listed somewhere? I am trying to get some sort of Criminal Justice report.

Thanks!
