As promised from yesterday, wanted to send the privilege terms our taint team has been running (which we received from [REDACTED] attorneys before his suicide). If any questions or issues on the FBI side, I'm copying [REDACTED] who is our point person for these issues, [REDACTED] been helping us on the AUSA side with reviewing and segregating any hits for these in Relativity (which you should also have access to, and which already has these terms removed).

thanks,
