██████████,  
The stuff is copying, but very slowly (of course) I am fleeing. ██████████ and/or ██████████ and looking after the copy. They will let you know when it is done (tomorrow) and then you can bring it to ██████████. I'll have my phone so if you have questions, call or email. I'll be back in NY Friday night.

██████████,  
Do you have that 12 TB drive back from Southern? I have 5 more items to get to them and I need something to put it on. I have to go out to Denver to see my sister who is in hospice, so I need to copy all the stuff Monday. Let me know. Thanks.
