Thanks very much, ██████████, I'll give you a call tomorrow.

In the meantime, I've been going through the attached spreadsheets trying to line up the CART evidence numbers that ██████████ used to identify each device (contained in the spreadsheet entitled "evidenceStatuts20200729") with the 1B numbers and FBI barcode numbers that ██████████ and ██████████ used to identify those same devices (contained in the spreadsheet entitled "JE Evidence seized"). I've been able to match up most of the devices, but I'm still lost on the below:

Could you please tell me which FBI barcode and/or 1B numbers line up with all of the devices listed above?
