Thanks for your help. I might need you to verify some more, but there are a bunch of them. Maybe if you are in the Bronx next Wednesday we can do that? I have 17 more items I have to get info off of.

Ok, so I was able to distill it down using my notes and Sentinel. Right now, I just need someone to look at 1B 39 and 1B 38 from SOD-NY-3027571 (Epstein) and tell me what CART barcode sticker are associated. I don't need them here in 26 Fed if ya'll can just look and tell me the info, I would appreciate it. Thanks.

TRANSITORY RECORD

[REDACTED]
I have to physically lay eyes on some evidence in the Epstein case to match up the 1B numbers with the CART numbers. I checked it all back in last week (of course) and the descriptions in Sentinel don't make it clear enough to get the data I need. I was wondering if I could just go to the Bronx and look through the items. It won't take long (I hope). Whom should I contact about making that happen? I was hoping to do it on Wednesday next week (the 14th). Let me know. Thanks.
