Thanks [REDACTED], I've found all but one – NYC 024334. I'll swing by and visit you tomorrow in CART to drop off the hard drive you requested and maybe we can find that remaining NYC #.

Can you give the below individuals access to the case?

I am in Boston right now, ill be back Wednesday. If you look in the path of the items listed, it should give you the NY number. I think those items are in the Windows examined items.

There are a couple devices that are titled "Image" so I'm not sure which device they are.

Could you also give CAIR access to this case to the below individuals so they can assist in the review?
