Alex- I look forward to our video meeting tomorrow. [REDACTED], [REDACTED], and I will be together (socially distancing) in a conference room in my office. I am available to talk in advance if that may be helpful. [REDACTED]
Below is a list of persons with whom [REDACTED] interacted in her contact with Epstein. This will probably assist you in organizing your interview.

[REDACTED] brought [REDACTED] over 1st time.
[REDACTED]- ex boyfriend of [REDACTED]. Had been with [REDACTED] but [REDACTED] drove [REDACTED] and her to Epstein Palm Beach residence. Figuroa knew [REDACTED] and [REDACTED] going over to Epstein house. (In past dealings with [REDACTED] I have found him to be less than fully cooperative and less than completely reliable)
[REDACTED]- ex boyfriend, drove over to Epstein house once or twice in beginning
Ghislaine Maxwell- met about 10 times at Epstein. Saw nude photos of Ghislaine
[REDACTED]- [REDACTED] took her there 1 time, [REDACTED] stayed outside of room while [REDACTED] with Epstein
[REDACTED]- went with her several times to Epstein house
[REDACTED]- took naked photos of [REDACTED]. Called [REDACTED] many times to make appointments and arrangements. Acted like secretary
[REDACTED]- thinks she saw her there
[REDACTED] had oral sex with some woman about 22 years old. 2 times
Some older man came over to Epstein's house and masturbated in front of [REDACTED] and touched her breasts while [REDACTED] was naked
Had intercourse with Epstein 1 time while another girl was with them.
[REDACTED]- may have been leaving once when [REDACTED] arriving.
Igor - saw him at house
male drivers from Epstein picked her up about 50 times and brought her to house.
Epstein- saw her over 100 times. Fondled her, masturbated every time, [REDACTED] was naked, Epstein slapped her butt several times.
2 housekeeping couples -saw [REDACTED] often. One couple quit as did not want to be there.
Cooks -saw her many times and gave her food in kitchen.

Thanks very much again for being in touch, and for your assistance with this progress. We will send information to log in via WebEx, our video conference program, which is secure and has worked well for us so far. The only thing we need is the email address or any other attendees, so I'm going to include the following email addresses (realizing that you likely will not log on using all of them), but please let us know if you need us to include any other email addresses for logging on:

[REDACTED]

And please let us know if either of you would like to chat tomorrow in advance of the discussion, otherwise we'll look forward to seeing you electronically on Friday at 9:30.

thanks,
[REDACTED]

That will work.

Mr. [REDACTED]-

Please provide details as to how you want to handle the connection.

I am confirming Friday 7/17/20 at 9:30AM for [REDACTED] to be at your office.

I will pick her up and bring her.

I assume you have video conference abilities in your office, and we of course will bring masks and social distance.

Please advise if any problems.
