Date of entry 03/04/2021

██████████, date of birth ██████████, was interviewed at ██████████. Present in person was ██████████ attorneys ██████████ and ██████████. Also present in person was Assistant United States Attorney ██████████. Present via phone was Detective ██████████ and Special Agent ██████████. After being notified of the identities of the above listed individuals and the nature of the interview, ██████████ provided the following information:

In the first few months of ██████████ going to JEFFREY EPSTEIN's home, GHISLAINE MAXWELL called her to schedule the massages. When ██████████ was about 14.5/15 years old it switched to ██████████ calling ██████████ to schedule the massages. Every once in a while, MAXWELL would still call ██████████. ██████████ gained more of a friendship with ██████████ when ██████████ took pictures of her.

██████████ brought people to EPSTEIN prior to being pregnant. ██████████ became pregnant ██████████ - ██████████ was born in ██████████. ██████████ went to EPSTEIN's home a couple times while she was pregnant and went after she had ██████████. Before ██████████ became pregnant, EPSTEIN asked her if she anyone her age or younger. ██████████ thought it was weird. ██████████ did not hang out with people younger than her. ██████████ had been going a couple years and when she was starting to show, there was more and more asking for her to bring people. EPSTEIN was the first person to ask her to bring friends. When ██████████ was pregnant and about to give birth, MAXWELL also asked her, calling her saying something like, "Hi this is Maxwell, I'm calling for Mr. Epstein...wondering if you had found any friends that would interested in coming." EPSTEIN did not want to see ██████████ anymore. MAXWELL also asked ██████████ to bring friends in person. When ██████████, she asked ██████████ if she had any friends or knew other girls. Before ██████████ became pregnant, she recalled bringing girls including ██████████, ██████████, and ██████████. ██████████ is now deceased.

While ██████████ was pregnant, ██████████ was going to EPSTEIN's with her.

██████████ had gone to see EPSTEIN when she was pregnant before she was really showing. At around 5 or 6 months, she had a "basketball belly". ██████████ did not tell EPSTEIN she was pregnant. During the end of the massage when EPSTEIN was masturbating, he saw ██████████ stomach move and asked her if she was pregnant. ██████████ went maybe once or twice after having her baby because she needed money for the baby.

MAXWELL kind of made ██████████ feel uncomfortable. ██████████ described MAXWELL as "older". MAXWELL asked ██████████ if she had ever been in a strip club. MAXWELL asked ██████████ if she had ever been to a club. When ██████████ asked what kind of club, MAXWELL told her strip club. ██████████ was 17 years old at this time and had worked in a club - ██████████ was running an all girls club.

MAXWELL asked ██████████ about her family. ██████████ told MAXWELL her parents would drink and fight a lot; she also told MAXWELL they used drugs. ██████████ told MAXWELL she had been raped. ██████████ did not think MAXWELL cared about it but she told ██████████ she was sorry to hear about it. At the time of this conversation, ██████████ was younger.

MAXWELL asked ██████████ if she had every used a sex toy or massager. This is what led up to EPSTEIN trying to use one on her. EPSTEIN was out on his run and MAXWELL came out of the office; the chef was not in the room with ██████████ and MAXWELL. MAXWELL asked ██████████ if she had ever used sex toys on herself. MAXWELL randomly asked if ██████████ touched herself "down there". MAXWELL was nonchalant; it was not stern nor was it an easy-going conversation. During this same conversation, MAXWELL asked ██████████ if she was sexually active. It was all a part of the same conversation. ██████████ told MAXWELL that she had a boyfriend and was sexually active with him but had never used a type of object on herself. MAXWELL laughed it off. The conversation stopped when the chef or butler came in the room, saying that EPSTEIN just called and would be back in five minutes. The conversation ended because ██████████ had to go upstairs to set up the room to massage EPSTEIN. ██████████ went upstairs and EPSTEIN was there. ██████████ was using the bathroom and noticed the "thing with round end" on the counter. ██████████ did not know what it was. At the end of the massage when EPSTEIN started masturbating, he started using it on her. ██████████ told him she was

not comfortable with that. It seemed connected to ██████████ since the conversation with MAXWELL and EPSTEIN trying to use a massager on her happened on the same day, but ██████████ did not think about that at the time. ██████████ knew sex toys/massagers existed but she had never used one. This was one of the last times ██████████ had talked with MAXWELL.

██████████ recalled seeing a lot of naked photographs of MAXWELL in the closet of the massage room.

██████████ was not sure if any of the girls she brought interacted or had conversations with MAXWELL. Whoever was in the kitchen would let ██████████ in the door and she would go upstairs to set everything up. ██████████ would sometimes be doing something and stop to say hi to her. ██████████ and ██████████ started going by themselves. EPSTEIN did not like ██████████ as she was too heavy. The girls did not mention to ██████████ any conversations they had. When ██████████ was bringing friends, ██████████ was the one who was calling to schedule.

██████████ recalled the chef was a "tall, white guy" and very nice. ██████████ recalled EPSTEIN's staff changing and the chef changed from him to a chef with a darker complexion. ██████████ recalled the chef being with a woman and they stayed in a little apartment that was the maid's quarters. They never asked ██████████ any questions.

██████████ recalled having four or five different numbers to call for EPSTEIN. When she would call, ██████████ would say something like, "Hi, this is ██████████, I was wondering if I could meet with Mr. Epstein if he was available." Sometimes ██████████ would be told that someone would call her back and other times she would be told EPSTEIN was available. Numbers that they had for ██████████ included her cell phone, her mother's cell phone, her house number, and ██████████ house number. ██████████ did not have a cell phone number; he used ██████████ cell phone sometimes. ██████████ was always around when ██████████ used her cell phone. ██████████ advised ██████████ did not answer her cell phone. ██████████ would answer his phone and tell ██████████ that "It's Jeffrey, tell them you're available." ██████████ told ██████████ to say she was available because they needed money to buy weed.

██████████, and ██████████ would hang out with ██████████, ██████████ a couple times after they went to see EPSTEIN because they would all smoke

as 16 is attached in a 1A.]

[REDACTED] recalled the time where EPSTEIN tried to penetrate her twice during a threesome. EPSTEIN did penetrate [REDACTED] twice and she told him to stop and he stopped. Then EPSTEIN moved on to having sex with the other girl. When [REDACTED] was asked how come she did not mention this in prior interviews or her deposition, [REDACTED] advised that she was asked if she had intercourse with EPSTEIN and did not consider that intercourse.

In prior interviews [REDACTED] was not asked about MAXWELL; she was not brought up important at the time. Everything was about EPSTEIN. [REDACTED]

[REDACTED]

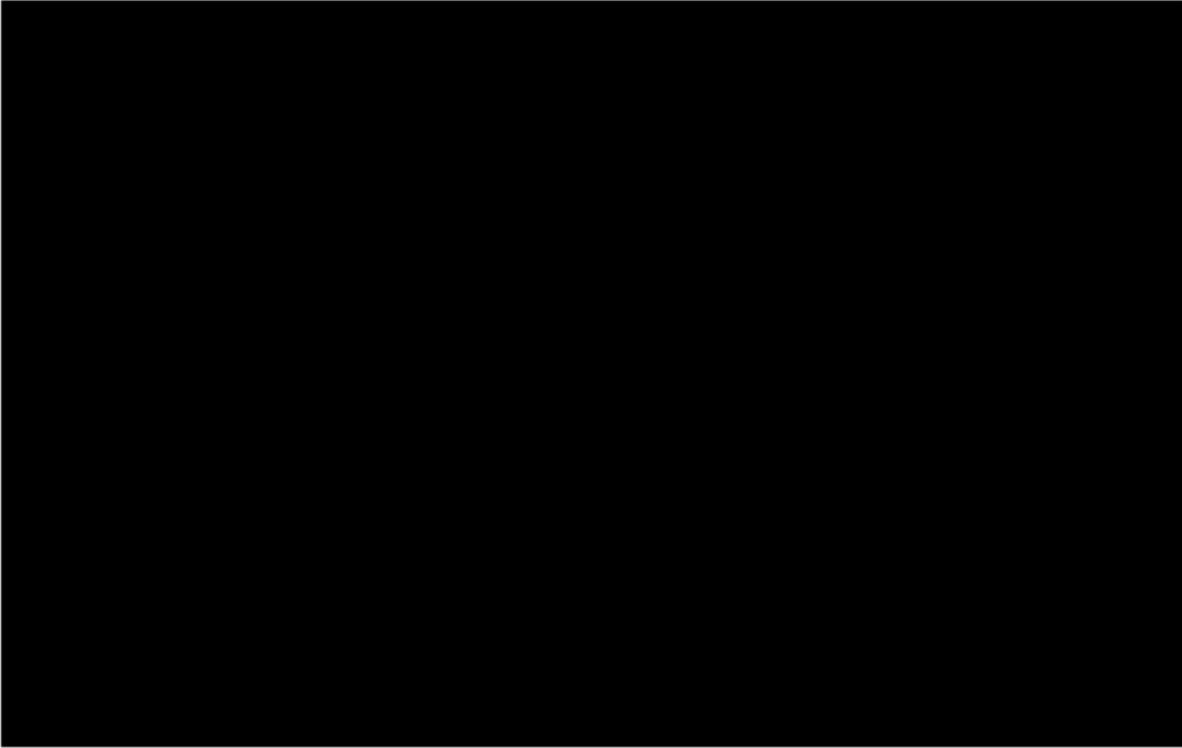

[REDACTED] advised that she had a very good picture memory. [REDACTED] refuses to watch anything about EPSTEIN; if it has to do with EPSTEIN, she turns it off. [REDACTED] does not want to know about anyone else as she feels she has her own emotional damage. [REDACTED] does not want to watch documentaries on EPSTEIN. [REDACTED] referenced that on Netflix, the documentary about EPSTEIN is one of the 10 top things to watch and it sickens her. EPSTEIN hurt [REDACTED] very badly. [REDACTED] is not comfortable. EPSTEIN is dead while she is alive. [REDACTED] is terrified something like what happened to her will happen to her own girls. [REDACTED] worries about a man or a woman like MAXWELL coming along and harming her girls.
