Det. [REDACTED]

Prepared for trial testimony. [REDACTED] previously undisclosed, clarifying, or different recollections below:

- [REDACTED]
- [REDACTED] son recently reminded her that [REDACTED] had been invited to travel to an island. [REDACTED] does not have a specific clear memory of this now.
- [REDACTED] also recalls that her son may have gone to Palm Beach with [REDACTED] once because he came home and showed her pictures of gargoyles, which she recalls were taken at the Palm Beach property.
- [REDACTED] estimates that [REDACTED] was traveling to Palm Beach for work for approximately two and a half years when she was a teenager.
- [REDACTED] did not see the contents of the packages [REDACTED] received, but she remembers [REDACTED] having books about massage and promiscuous clothing after receiving those packages.
- [REDACTED] recalls the following callers to her phone regarding [REDACTED] work in Palm Beach:
 - Two male voices:
 - One was a car service or driver picking [REDACTED] up
 - The second [REDACTED] remembers calling to say he was sending a car to pick [REDACTED] up
 - Two female voices:
 - One named [REDACTED] called multiple times.
 - One with an accent called multiple times. [REDACTED] believes this woman's name was something like Giselle Maxine
- [REDACTED] recalls the female caller with an accent being particularly unpleasant in her tone during one call, during which the female caller said that [REDACTED] and her friends were supposed to be at the house for a party. [REDACTED] assumed that meant [REDACTED] and her friends were supposed to set up for some party.
- [REDACTED] did not realize that [REDACTED] had been sexually abused by Jeffrey Epstein until the FBI knocked on [REDACTED] door in or about 2007 as part of an investigation. [REDACTED] never explicitly told [REDACTED] what happened to her with Epstein, and no one from law enforcement ever explicitly told [REDACTED] what happened either, but [REDACTED] gathered over the years from [REDACTED] behavior, law enforcement interactions, and civil suits that Epstein must have abused her.
- After [REDACTED] went to [REDACTED], at some point [REDACTED] [REDACTED] told [REDACTED] that [REDACTED] and [REDACTED] were getting [REDACTED] from the house they were cleaning in Palm Beach. [REDACTED] didn't say who actually gave them [REDACTED] [REDACTED] told [REDACTED] that [REDACTED] was cleaning houses.
