

12/1/21

approx 10 minutes

- Asked whether what he remembered was from the media, said he remembered these specific conversations because he loved her and it was important
- There were times when she would shut down when he asked about the extent of the abuse, she was embarrassed
- Sometimes she was drinking during these conversations but not all of them
- Sometimes [redacted] was drinking when he talked to her about this

When [redacted] told him about the woman in the room, they were both sober
