Thanks again for giving me a call a few minutes ago, and for updating us on the view of your client with respect to bail. As discussed, I understand that [REDACTED] believes that Maxwell should not be granted bail, and that while she does not wish to make a specific statement—either directly, through counsel, or through the Government conveying or reading a statement—that we should and will, consistent with her rights under the CVRA, convey to the court her opposition.

Please let us know if I've misunderstood any of this, otherwise we'll include it for our filing tomorrow, and thanks again for being in touch.
