The bedroom was nice, light colored, benching (P.B.)

Windy staircase, pictures on the wall

Massage table - attached to bathroom

→ had a head rest

NM: black massage table, dark walls / reddish
Her bedroom on top / 8th floor

Massage room had wooden ~~doors~~ built in
book case w/ speaker system

Belt very dark tree, it was a

Doesn't remember if door was outside in massage
room specifically - tree was open out in
the house

Has a memory of being in NM once, saved w/
nobody around @ ranch

Spent a lot of time in room watching TV

Recollection of somebody coming to get her (Revolution-Go)

I feeling like she had hoped nothing was happening,
but then someone came to get her after all

Set her home on a commercial flight

→ had this sense of relief she was left alone,
but recalls somebody came to get her

Remembers the person who came to get her was G07

ticket prep / made calls

Salad provided
